

HEALTHCARE ADMINISTRATION CERTIFICATE

The Healthcare Administration Certificate Program at The College of St. Scholastica is designed for healthcare professionals at all levels who may have taken on clinical and/or organizational management leadership roles or serve in healthcare organizations who recognize the need to manage the emerging challenges and changes in the business of the healthcare system.

The Healthcare Administration Certificate Program is a collaboration provided through the Stender School of Leadership, Business and Professional Studies Masters in Healthcare Administration and Health Information Management programs. The certificate helps students develop the capabilities necessary to respond to rapid change in the unpredictable healthcare environment. Graduates will become innovative leaders who collaborate across disciplines to improve healthcare outcomes for patients and populations. The Healthcare Administration Certificate Program aligns with The American College of Healthcare Executives (ACHE) 2022 Healthcare Executive Leadership Competencies which are categorized into six critical domains:

- Change Leadership
- Management
- Communication and Collaboration
- Innovation
- Strategic and Business Planning Skills and Knowledge
- Professionalism, Integrity, Ethics and Social Responsibility
