

HEALTHCARE EXECUTIVE LEADERSHIP CERTIFICATE

The Healthcare Executive Leadership Certificate is a collaboration between the Department of Graduate Nursing and the Stender School of Business and Technology. The program helps students develop the capabilities necessary to respond to rapid change in the unpredictable healthcare environment. Graduates will become innovative leaders who collaborate across disciplines to improve healthcare outcomes for patients and populations. The Healthcare Executive Leadership Certificate Program aligns with The American College of Healthcare Executives (ACHE) 2020 Healthcare Executive Leadership Competencies which are categorized into five critical domains:

- Communication and Relationship Management
- Leadership
- Professionalism
- Knowledge of the Healthcare Environment and
- Business Skills and Knowledge
